3. To be eligible to play in the Adult Coed Soccer Leagues, a player must meet all 3 criteria listed: 1. Must be 18 years or older 2.) Must not be currently enrolled in High School 3.) Not currently playing in the SFSA Youth Leagues. All Players wanting to play in the SF Adult Soccer Leagues must provide verification of age and identity by valid ID or Driver's License. If a player is found to be under the age of 18 or playing under false pretenses, an immediate removal from the SF Adult Soccer Leagues will be administered. (All Leagues)
4. Teams have the option to play more women than the required (2) female players. Goalie position counts as a field player for the whole duration of the game. 2 minimum female players cannot be replaced by men.

with Procedure section, Rule # 16, consequences will be administered if a player is found to be playing without a card.

9. Games are classified as a "League Game", "Friendly game" or a "Cancelled game". A "League" Game is defined by being an officially scheduled game with each team using only its original team players and/or pool players. A "Friendly" is defined by being a game where a team needs to borrow other current SF Adult Soccer Leagues players from other teams. The Referee will stay to ref for both a League game and a Friendly game. A "Cancelled" game is defined, as a team does not have enough players to play the game or not having their player cards or no roster. A "Cancelled" game cannot be rescheduled and the penalized team will have to forfeit their "Bond fee".
10. A team that is unprepared (not enough players to play, not having official roster or not having their player cards) by the end of the Grace period, will be penalized and required to forfeit their "Bond Fee" to the League Directors. A partial amount of the bond may be awarded upon request to the opposing team. The "Bond Fee" will be \$90.00. No team will be allowed to play until its Bond Fee is replenished. Any team must give 72 hours notice if they are unable to play a game, so that the director has time to find players to play the opposing team. If 72 hours notice is given the penalty is waived. However, once a team has more than 2 cancelled games, the team will be removed from the league for the season.
11. All League teams are allowed 5-minute grace period\*\* to gather other League players to start a "Friendly" game. Original Players are defined as your team's original players. Borrowed Players from other teams are NOT original players. \*\* This grace period will take away from your 5-minute halftime. If a team adds borrowed players, please allow a balance of players between opposing teams.
12. Each coach is required to pick up their official roster during their scheduled pick up time before the season starts. This official roster is to show to the referee for each new game. On Tuesday 5:00pm following the completion of the 4<sup>th</sup> game of the season, all rosters are frozen. At this point in time, neither additions nor subtractions of players may be made to the team or rosters. In event of an injury that would prevent a player from playing the rest of the season, the Directors may approve a replacement of that player on the team's roster. The approved replacement must come from the Active Player List or Waiting List for that Season.
13. All teams must provide (2) usable good condition soccer game balls for each game. Your team name/personal name should be written on ball for identification.
14. If a Referee fails to show for a game AND there is not another Referee present and willing to ref, both teams have the option at that time to reschedule their game or to play. If a Referee fails to show for a game but there is a Referee present and willing to referee the game, then the game must be played as originally scheduled. If both teams agree to play the original game as scheduled without a referee, then the game is considered official and cannot be rescheduled.

If after the 5 minute grace time, the game is not started on time because of a team not prepared to play (not enough players, missing player cards/rosters, etc), The referee may blow his/her whistle to signal the game will be declared a cancellation. The offending team will then be required to forfeit the Bond Fee.
20. The game ball may be kicked backwards at the start or restart of a game to signal kickoff.
21. All games (League or Friendly) will be ended at 5 minutes to the hour, regardless.

23. You may use other League players, (they must be *current, rostered* SF Adult Soccer League players), if your team has 5 players or less. **Only players with valid, current player cards in hand will be allowed to play at any time.** Players from the original team playing the game, get first playing preference; the \*borrowed players are to be used as subs.\* **ONCE YOU BORROW PLAYERS, THE GAME AUTOMATICALLY BECOMES A FRIENDLY** game.
24. If the Referee makes a foul/infraction/call, any player(s) that chooses to exhibit dissent,(verbal or physical) toward a Referee, Player or Spectator OR motions for a card or a call to be made that player may be given a **yellow card**. The disciplinary committee will be notified and the player's card will be revoked until a decision is made.
25. The Referee may issue a red card for foul and abusive language, serious foul play, spiting at or on, or conduction violent conduct towards a referee, player, or spectator. That player will be subject to a red card hearing and may be found guilty of abuse or assault.
